Clean City Clara

Clean City Clara, the litter prevention program for elementary school students, has received local and national awards.

This interactive education program is free to all interested Charleston schools, and is designed for grades K-4 and youth groups. Clara, the litter prevention pelican mascot, teaches the importance of being responsible for your waste and living a litter-free life. Through an interactive presentation, students help each other learn why littering is bad. They also learn what they can do to help clean up and prevent litter.

To register for a presentation, complete the request form at:
