Ready For Review

Management & Operations

Energy Efficiency

Water Conservation

Waste Minimization & Recycling

R1 Past Waste & Recycling Data

Enter 12 months of past waste and/or recycling stream data.

[Tips & Help](#)

Response: Points Earned: 1 Max Points: 1

Please enter 12 months of past Waste or Recycling volume data into the Waste and Recycling Logs. The Waste and Recycling Logs are found on your GBC USB. This information will be valuable to gauge your improvements over time and the impact of changes.

Note your to-do list for the year to meet your goal:

R2 Year End Waste & Recycling Data

Log waste and/or recycling stream data throughout the Challenge year to track the effect of waste minimization and recycling initiatives. Know the % changed? Share that for points as well. Would your business like a 10% reduction in usage and expense?

Levels of Achievement

Tier	Points Required
Live Oak	76-100
Magnolia	51-75
Palmetto	26-50
Sweetgrass	15-25
