Rezoning 1:

276 Coming St (Peninsula)

BACKGROUND

The applicant is requesting a rezoning from Diverse-Residential (DR-2F) to Commercial Transitional (CT). The subject property, located in the Cannonborough-Elliottborough neighborhood of the Peninsula, is located on the corner of Coming St and the access ramp to Septima Clark Pkwy. The property currently contains a residential structure and is surrounded by a mixture of residential and office. The entire block facing Coming St is zoned DR-2F. The closest commercially-zoned properties, fronting Line St, include CT and Mixed-Use/Workforce Housing (MU-1/WH). One block east, the predominant zoning shifts to General Business (GB).

See zoning comparison table on next page.

CENTURY V CITY PLAN RECOMMENDATIONS

The Century V Plan recommends maintaining the character of established areas in the City when considering the rezoning of property. The subject property is designated in the Century V Plan as **Urban** which is intended to be mixed-use, but primarily residential areas with a wide range of building types and setbacks. In the Cannonborough-Elliottborough neighborhood, the non-residential uses are clustered on certain roads and blocks and there are many exclusively residential blocks. Given the existing surrounding zoning and uses, a commercial zoning district would be out of character for this block.
