**GENERAL INFORMATION:** The Board of Architectural Review (BAR) was established in 1931 with the creation of the first preservation ordinance in the United States. As stated in the City of Charleston Zoning Ordinance, the purpose of the board is "the preservation and protection of the old historic or architecturally worthy structures and quaint neighborhoods which impart a distinct aspect to the city and which serve as visible reminders of the historical and cultural heritage of the city, the state, and the nation." The BAR has demolition review of **all buildings** in the Old and Historic District, of buildings 50 years or older south of Mount Pleasant Street, and of any buildings located within the City's Landmark Overlay properties.

**Board meetings** are held at 4:30 p.m. on the second and fourth Wednesdays (BAR-L) and Thursdays (BAR-S) of each month at 2 George Street in the 1<sup>st</sup> floor meeting room. Deadline for applications is 12:00 noon, typically ten days prior to the meeting date. For meeting schedules, application forms, or additional information, please visit [www.charleston-sc.gov/bar](http://www.charleston-sc.gov/bar) or contact the City of Charleston's Urban Design & Preservation Division staff

**Definition:** Demolition is defined as the removal of an entire structure or a substantial portion of a structure visible from the public right-of-way or a substantial portion of features of a structure that are visible from the public rights-of-way that define its historic architectural character, such as roofs, columns, balustrades, chimneys, siding, windows, doors, shutters, site walls, fences and other unique architectural features, which if lost, would compromise the historic architectural character of the structure
