comment	Greta	Momeier-Waters	null	812 Whispering Marsh Drive	null	Replacement of old tin roof from 1930's with asphalt shingles that are in the same architectural style of neighboring homes. Just trying to maintain the property. My grandfather was the original owner. He subsequently built 797 Rutledge and 777 Rutledge. So, the property is generational and I'm just trying to properly maintain it. And, my insurance company will no longer insure the roof of 793. I have to sign a roof waiver. So, it's time for replacement.	1	793 Rutledge Avenue	null	null	Nov 8 2021 9:23PM
