## **City Adds Two Yard Waste Collection Days This Week for James Island, Johns Island, and Outer West Ashley**

**Charleston, S.C.**—Due to unusually high volume, two additional yard waste collection days will be added this week for James Island, Johns Island, and outer West Ashley, and collection is expected to be completed on Saturday, July 20.

Public Service Director Tom O'Brien said, "This time of year, volumes of yard debris can get very high. By adding these two additional days, we believe that we'll be able to ensure thorough pickups throughout the area."

For additional information regarding collections and schedules, citizens can call the city's Citizen Services Desk at 843-724-7311.
