## **Deadline Extended to Complete City Plan Survey**

**Charleston, S.C.**—In order to maximize opportunities for public engagement, the deadline to complete the city of Charleston’s City Plan survey has been extended, and responses will now be accepted through Monday, November 16, 2020.

**Why it matters:** The survey is being conducted to inform the city’s new comprehensive plan, which will guide major decisions in the city of Charleston for the next 10 years.

Public engagement opportunities, like the City Plan survey, help to ensure that the plan reflects citizens’ vision for Charleston’s future, including ways to strengthen residential neighborhoods, improve transportation, increase affordable housing, address drainage and flooding, preserve the city’s diverse cultural fabric, and improve quality of life for everyone.

**Complete the survey:** The survey consists of 30 questions and should take about 10 minutes to complete. Visit [www.charlestoncityplan.com/survey](http://www.charlestoncityplan.com/survey) to complete the survey in English, or [www.charlestoncityplan.com/encuesta](http://www.charlestoncityplan.com/encuesta) to complete it in Spanish. To request a pre-stamped and addressed printed survey, call (843) 834-5268.

All questions within the survey are optional, and all responses will be kept confidential. The survey is not limited to city of Charleston residents.
