Star Babies

ages 6 months - 3 years

\$25 resident / \$35 non-resident

Parent Participation is mandatory. Swim diaper and bathing suit required. This class is to familiarize young children (from ages 6 months to about 3 years) to the water and prepare them to learn to swim in the Starfish Aquatics Swim School program. It is not designed to teach children to become good swimmers or to survive in the water on their own.

Star Tots

ages 4 - 5 years

\$30 resident / \$40 non-resident

This class is to orient preschool-age children to the aquatic environment and to help them acquire rudimentary levels of basic aquatic skills and continue to build on those skills by providing additional guided practice with increased distances and times.

Swim School Beginner

Introduction and Fundamentals

ages 5 and up

\$30 resident / \$40 non-resident

This class is to begin developing positive attitudes, good swimming habits and safe practices in and around the water and to give participants success with fundamental skills, including learning how to float without support and to recover to a vertical position.

Swim School

Development and Improvement

ages 6 years and up

\$30 resident / \$40 non-resident

This class to build on the fundamental skills by providing additional guided practice in deeper water and to develop participants' confidence in the core skills and to develop breath control and improve forward movement

Stroke School

Stroke Refinement

ages 6 years and up

\$30 resident / \$40 non-resident

This class is to develop individual strokes including Freestyle, Backstroke, Butterfly, and Breast Stoke, along with safety skills leading to rediness for swim team.
