Submittal and Review Process

<p>We encourage all applicants to utilize the Customer Self Service (CSS) portal to submit applications, receive updates, schedule inspections, pay fees, and expedite the process. <i>Paper applications will not be accepted after January 1, 2024.</i></p> <p>Once a complete application packet has been entered into the system, which includes all associated documents and required attachments, the applicant will receive an automated email advising the review is underway. A member of the Fire Marshal Division will be assigned to review the application. Once the initial review has been completed, the applicant will receive either notification of any missing documentation or notification to pay the associated fees and schedule the inspection through the CSS portal. Our goal is to conduct the initial review within 6 business days after receiving a complete submission.</p> <p>Once the application has been approved the applicant may request an inspection through the CSS portal. Inspections are typically conducted at 2 George Street within three business days of the request, but subject to the availability of our team. Upon successful completion of the inspection, and payment of fees, a mobile food vendor sticker will be issued.</p> <p>Applicants can check the status of the permit at any time by logging into their CSS account. Additional questions that cannot be answered through the portal may be directed to CFD@charleston-sc.gov or 843-724-3429.</p>
