

Reopening Food & Bev

Signage checklist

Post a sign on the door to your restaurant that **no one with a fever or persistent cough** is to be permitted in the restaurant.

Provide signage at each public entrance to inform all employees & customers that they should:

- Not enter if they feel generally unwell
- Maintain a minimum of **6 foot distance**
- Sneeze or cough into a cloth or tissue
- **Not** shake hands or engage in any unnecessary physical contact

Post a sign on **receiving door** that no suppliers or vendors should enter if they have a fever or persistent cough.

Post in a publicly prominent place in your facility & on your website your commitment to:

- Food safety
- Staff safety training
- Steps that you are taking to go above & beyond in **providing safe food and a safe, enjoyable dining experience**
- Customer safety
- Customer responsibility

Create, execute and post publicly a full scale '**ready for dine-in**' cleaning and sanitizing protocol in preparation for welcoming customers.
