Creating an Account

If you’ve never signed up for any sport, event, or program with the city before, you will need to create a new account.

*If you have gone into any city facility before and attempted to or successfully registered for a sport or program, you most likely have an account already. PLEASE DON’T CREATE A SECOND ACCOUNT VIA RECREATION ONLINE (WEBTRAC). If you’re not sure, please call (843) 724-7327 to verify if you already have an account or not.

Click the Login link.

Click the third option – “If you’re a brand new patron with us, please click here to register for a new account.”
It may take 24-72 hours for your household to process and transactions to be made online. Please call 843-724-7327 if you have any registration questions.
Forgot Username/Password

If you forgot your username or password, there are a variety of routes to obtain that information.

1. Call (843) 724-7327, or your respective facility and they can send you a reset email.
2. On home page: “Forgot your password? Click Here”
3. If you click Login, there are two options:
   a. If you have an account with us, but you’ve forgotten your username, please click here.
   b. If you have an account with us, but you’ve forgotten your password, please click here.

Click the Login link.

Click the option based on if you forgot your username or password – “If you have an account with us, but you’ve forgotten your username/password, please click here.”
Whichever link you chose ("forgot username" or "forgot password"), you will be prompted to this screen to put in your primary email address to receive an email with your username. If your email doesn’t work or doesn’t match our system, please call (843) 724-7327 or send us an email through the “Contact Us” button.

Once you click Submit, you’ll receive a confirmation note, saying “An email has been sent to the address entered. Please check your email for your login information.”
An email should appear in the inbox of the address you provided. You'll receive an email when you request your username/password online AND when you call a facility and request your information to be reset or resent to you.

This email is verification that you requested your username and password. Click the link to reset username or password.

Searching Techniques

**Activity Number**
- Most accurate in finding the exact activity in your area
- Activity numbers can be found in our seasonal recreation guides, on flyers, on Facebook posts or on our website

**Age**
- Select the age you want in the drop down scroll menu and then click “Search” and it will show all activities currently offered for that specific age. You can select more than one by holding down SHIFT and clicking multiple options.

**Type**
- You are able to select the category of activity to participate in. Options range from sports to fitness to fine arts to education. You can select more than one by holding down SHIFT and clicking multiple options.

**Keyword Search**
- Use this like Google. Type in basic words such as basketball, summer camp, tennis, fitness, etc. The simpler the search, the easier things can be found.

**Gender**
- Select female or male if you need to make your search specific. If not, leave Any Gender selected.

**Location**
- Select the location you wish to participate at. It will give you every activity, sport and program that is available at that exact location. There are multiple locations in each area available to select. You can select more than one by holding down SHIFT and clicking multiple options.

**Search for only one thing at a time (i.e. activity number OR age OR location, etc.) Make sure when you select something in a drop down menu (Age, Type, Location, Gender) that all other menus have ALL Ages, ALL Types, ANY Gender, ALL Locations selected. If you have more than one selected, it may not be able find what you are looking for.**
