Charleston Cotton Exchange offers screen print & embroider branded items for large and small companies, schools and individuals. Their mission is to work with companies, organizations, and individuals to create marketing and branded ideas. President Stephanie Mathias True and her team are always coming up with new, fresh and exciting ideas for their clients.

Charleston Cotton Exchange started out 25 years ago with 2 employees and one press and has grown to 20+ employees, multiple presses and embroidery machines and over 5,000 square feet of production space. They have weathered many storms throughout the years but are most proud of their dedicated employees and loyal customers.

They have navigated the COVID-19 crisis through their dedicated and loyal customers and streamlining expenses. It has been a very challenging time and they take each day and week at a time.

Charleston Cotton Exchange donates to Tri-County Family Ministries and multiple organizations trying to get their name out in the community to support the greater good.

Their dedicated team goes above and beyond to make sure orders are completed with quality and precision, on-time and accurately.

Tell us an interesting and fun fact about your business:

We manufacture branded and logo-ed materials for everyone, but we didn't even have our own logo until we had been in business for over 8 years!
