

How Can You Show Your Love? Have Working Smoke Alarms.

Smoke alarms show you care about your family's safety. It only takes a minute to make sure they work.

Here's how:

1. Push the test button on the alarm. On most, it's the only button.
2. Do you hear a loud noise?

If so, it works. If not, change the battery or get a new smoke alarm.

Test your alarms every month. It is an easy way to show your love.
