

All City parking garages are open 24-7 for visitor parking. Parking rates are One Dollar (\$1.00) for every half-hour (or portion thereof) of parking, with a maximum charge of Eighteen Dollars (\$18.00) for every parking day. There are no "in and out" privileges. A "parking day" is Midnight to Midnight. Once a vehicle leaves the garage and re-enters, the rate clock re-starts. Please do not be surprised by computation of the rate during your stay. The maximum rate of \$18 does not apply to a twenty-four hour period from the time of first entry, unless a vehicle enters only at midnight and stays through the following day's midnight.

Example 1:

Vehicle enters garage at 1:00 pm on a Friday.

Vehicle exits garage at 11:00 am on following Sunday.

Friday - 11 hours x \$2.00 =	maximum of \$18
Saturday - 24 hours x \$2.00 =	maximum of \$18
<u>Sunday - 11 hours x \$2.00 =</u>	<u>maximum of \$18</u>
Total =	\$54

Example 2:

Vehicle enters garage at 5:00 pm on a Friday.

Vehicle leaves garage at 11:00 am on Saturday.

Vehicle re-enters garage at 2:00 pm on Saturday.

Vehicle exits garage at 11:00 am on following Sunday.

Friday - 7 hours x \$2.00 =	\$14
Saturday - 11 hours x \$2.00 =	maximum of \$18
Saturday - 10 hours x \$2.00 =	maximum of \$18
<u>Sunday - 11 hours x \$2.00 =</u>	<u>maximum of \$18</u>
Total =	\$68
