Planning Commission – May 19, 2021

Just as in an in-person meeting, all items heard today are part of a public meeting format. Following this introduction, staff will explain how public comments will be shared in this virtual setting.

All zoning, rezoning and ordinance amendment requests will receive a recommendation from the Planning Commission and will then go to City Council. Public hearings for the zoning, rezoning and ordinance amendment items will be held at the June 15, City Council meeting.

Meeting results will be posted on the City’s website at www.charleston-sc.gov(pc).
Virtual Meeting Protocol

Staff will control the PowerPoint slides displayed throughout the meeting.

Applicants, staff, Commissioners, and the public are required to give their name first whenever speaking.

Video and microphone have been disabled for all attendees. The public will only be given the capability to speak when they are called on during the public comment period. Applicants will be promoted to panelist for the duration of their item, giving them temporary access to microphone and video. They should remain muted unless called on to speak.

Chat and the Q&A functions have been disabled for everyone.

These proceedings are being recorded.

Order of the Meeting:

• City staff present the agenda item and recommendation
• Applicant comments
• Public comments in favor (first spoken, then written)
• Public comments in opposition (first spoken, then written)
• Applicant response
• Commission discusses agenda item, makes a motion, and votes
Virtual Meeting Protocol

Commission:

• Commission members should be both seen on video and heard when speaking.

• Commissioners will be polled by the Chairman for comments and for their vote on a motion. Each member, when voting, should respond “Yea, in favor” or “Nay, not in favor”. The Chairman shall re-read the motion verbatim and the Commissioner making the motion should correct the Chairman if he has not re-read the motion accurately.

• Commissioners that need to recuse themselves from voting will be temporarily removed from the meeting and re-admitted prior to addressing the next agenda item.

• If the Commission needs to go into Executive Session, they will call into a separate conference line and all video and audio on Zoom will be temporarily turned off until they are ready to return to the regular meeting.

Sec. 54-604. - Developments that require TRC approval.

a. TRC approval is required when:

1. any new building(s) construction or site improvement(s) is undertaken on land within the City of Charleston, save repairs or renovations not exceeding the requirements of 54-604.a.2., which follows; or

2. any construction or renovation results in the addition of two thousand (2,000) square feet of space to an existing structure; or

3. any construction or development results in changes to traffic circulation and/or stormwater drainage systems onto or off of a site; or

4. TRC approval is required by the zoning classification of a given site; or

5. TRC approval is required by restrictive covenants applicable to a given site; or

6. single-family or two-family dwelling unit construction results in a total of four or more units on a single lot.

b. The following development(s) are exempt from requiring TRC approval but shall still require the approval of the Zoning Administrator:

1. single-family dwelling(s) and two-family dwelling(s) that result in a total of three or less units on a lot;

2. small storage structures or garages that do not exceed five hundred (500) square feet in area; and

3. routine repairs and maintenance that do not exceed the provisions of 54-604.a.2. above.
Proposed Ordinance

Section 1. Sec. 54-604 is hereby amended to read as follows (new text in **bold and double underlined** and deleted text with strike-through):

Sec. 54-604. - Developments that require TRC approval.

a. TRC approval is required when:

1. any new building(s) construction or site improvement(s) is undertaken on land within the City of Charleston, save repairs or renovations not exceeding the requirements of 54-604.a.2.b, which follow; or

2. any construction or renovation results in the **addition to an existing building where the footprint of the new building is** of two thousand (2,000) **or more** square feet **in area** space to an existing structure, or

3. any construction or development results in changes to traffic circulation, **internal or external to the development site, specific to changes to or additions of curb cuts, site access, drive-thru lanes** and/or stormwater drainage systems onto or off of a site; or

4. any construction, development, or redevelopment that requires a Type II or Type III Construction Activity Application as prescribed in the City’s Stormwater Design Standards Manual; or

5. TRC approval is required by the zoning classification of a given site, **specific to a PUD, Neighborhood District, Gathering Place District and Upper Peninsula District**; or

6. TRC approval is required by restrictive covenants applicable to a given site; or

7. any construction of a new building or building addition on the peninsula or in an area identified as a Special Protection Area by the Department of Stormwater Management results in a total of three or more dwelling units on a single lot.
8. single-family or two-family dwelling unit construction results in a total of four or more units on a single lot.

9. any linear construction project, specific to sidewalks, multi-use paths, utility lines, surface or subsurface drainage systems, exceeds a continuous length of 100 feet or requires the platting of a new easement; excluding construction projects in existing easements except that such projects may require a Construction Activity Application approval.

b. The following development(s) are exempt from requiring TRC approval but shall still require the approval of the Zoning Administrator:

1. single-family dwelling(s) and two-family dwelling(s) that result in a total of three or less units on a lot, dwelling unit construction not exceeding the requirements of Sec. 54-604.a.7 or 8;

2. small storage structures or garages that do not exceed five hundred (500) square feet in area; and

3. routine repairs and maintenance that do not exceed the provisions of 54-604.a.2. above.

Section 2. This Ordinance shall become effective upon ratification.

APPROVAL WITH CONDITIONS
Per the comments included in the agenda meeting package from the Technical Review Committee (TRC), the concept plan for the subdivision has met the minimum standards required to move forward in the review process; or has received conditional approval contingent upon those minimum standards being met prior to submitting for final approval from TRC.

Any road that is only 20’ will need to be signed as “No on-street parking” or an equivalent.

A minimum of 27’ of pavement width is required for on-street parking.

The Department of Stormwater Management approves the concept plan on the condition the subsequent preliminary plat and road construction plans meet the minimum requirements of the City of Charleston’s 2020 Stormwater Design Standards Manual (SWDSM).
