Public Information Meeting Fact Sheet

Monday November 15, 2021
4:30 to 6:30 PM

Proposed Bridge Replacement of S-33 Daniel Island Dr.
Over Beresford Creek in Berkeley County, SC

• Project consists of the removal and replacement of the existing S-33 Daniel Island Drive over Beresford Creek in Berkeley County.
• The proposed bridge will include two 11-foot lanes and 4-foot shoulders and an 8-foot Multi-use path.
• The proposed bridge and approach is planned to maintain the alignment of the existing bridge.
• The existing roadway and bridge will closed for construction and traffic will be detoured on I-526 during construction.

Schedule
• The project is tentatively scheduled to be advertised for construction in April 2022.
• The project duration is estimated at 12 months.
