The City shall not issue a Notice to Proceed until the Contractor has submitted acceptable insurance certificates(s) or endorsement(s), which must be submitted within five (5) calendar days after receipt of the Notice of Award, and which reflect that the required coverages are in place and that all premiums have been paid. Refusal or failure to submit such certificate(s) or endorsement(s) shall constitute grounds for the City to revoke its notice of award, forfeit proposal security, and award the contract to another contractor. The City may contact the Contractor’s insurer(s) or insurer(s)’ agent(s) directly at any time regarding its coverages, coverage amounts, or other such relevant and reasonable issues related to this contract. The Contractor(s) shall also require any sub-contractors to carry the same coverages in the same amounts. INSURANCE REQUIREMENTS

Contractors working for the City of Charleston are required to procure and maintain for the duration of their contract with the City insurance against claims for injuries to persons or damages to property which may arise from or in connection with work performed by the Contractor, his agents, representatives, employees or Subcontractors. The cost of such insurance shall be the responsibility of the Contractor.

A. The Contractor shall carry liability insurance with a reliable company licensed to do business in South Carolina. Coverage shall be at least broad as:

1. Insurance Services Office Commercial General Liability Coverage Form (“occurrence”) CG 00 01 10 93.
2. Insurance Services Office Business Auto Coverage Form CA 00 01 6 92 covering automobile liability, code 1 “any auto”.

B. Contractor shall carry workers’ compensation as required by the State of South Carolina and Employers Liability insurance (including applicable occupation disease provisions and all state endorsements.)

C. Contractor shall maintain limits no less than the following:

1. GENERAL LIABILITY: $1,000,000 combined single limit per occurrence for bodily injury, property damage, and personal injury with a $2,000,000 general aggregate limit.
2. AUTOMOBILE LIABILITY: $1,000,000 combined single limit per accident for bodily injury and property damage.
3. WORKERS’ COMPENSATION: Statutory limits are required by South Carolina state law, and employer’s liability limits of $100,000 per accident.
4. PROFESSIONAL LIABILITY: $1,000,000 per claim/$1,000,000 aggregate limit, with a deductible of $20,000.

Contractor shall obtain and maintain a professional liability insurance policy covering the performance of the professional services specified in this agreement. Evidence of such insurance shall be satisfactory in form and content to the owner, the City. This coverage shall be maintained through the duration of this project and for a minimum of 1 year after substantial completion of the project as determined by the City.

The Contractor and any of its subcontractors will cause the professional liability insurance required in this paragraph C.4:

(a) to be excess insurance over any project professional liability policy, and
(b) to be primary insurance in the event the project insurance described in Paragraph E is canceled or not maintained, in the event the policy’s limits of liability are exhausted, or if the policy expires.

D. Required policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability and Automobile Liability Coverages

The City of Charleston, its officials, employees and volunteers are to be covered as additional insureds as respects: Liability arising out of activities performed by or on behalf of the Contractors; premises owned, occupied or used by the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the City of Charleston, its officials, employees or volunteers. To accomplish this objective, the City of Charleston shall be named as an additional insured under the Contractor’s general liability policy by attaching Insurance Services Office Commercial General Liability Endorsement CG2010 10 93 (Additional Insured - Owners, Lessees or Contractors - Form B) or its equivalent. Contractors’ insurance coverage shall be primary insurance as respects the City of Charleston, its officials, employees and volunteers. Any insurance or self-insurance maintained by the City of Charleston, its officials, employees, or volunteers shall be in excess of the Contractor’s insurance and shall not be required to contribute. To accomplish this objective, the following wording should be incorporated in the previously referenced additional insured endorsement.

Other Insurance: This insurance is primary, and our obligations are not affected by any other insurance carried by the additional insured whether primary, excess, contingent or on any other basis.

Any failure to comply with reporting provisions of the Contractor’s policies shall not affect coverage provided to the City of Charleston, its officials, employees or volunteers.

2. Workers’ Compensation

The Contractor shall agree to waive all rights of subrogation against the City of Charleston, its officials, employees and volunteers for losses arising from work performed by the Contractor for the City of Charleston.

E. Any deductibles or self-insured retentions shall be the responsibility of the Contractor.

F. Each insured policy required by the City of Charleston shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days prior written notice has been given to the City of Charleston.

G. All coverages for Subcontractors shall be subject to all the requirements stated herein.
H. Insurance must be placed with an approved insurance company with current Best’s rating of A+, A, or A-. Exceptions to this requirement must be approved in writing by the Department of Risk Management.

I. Contractor shall furnish the City of Charleston with Certificates of Insurance noting the endorsements. The Certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements are to be received and approved by the City of Charleston, Procurement Division, before work commences. The City of Charleston reserves the right to require complete, certified copies of all required insurance policies, at any time.

Required certificates should be mailed to:

These requirements shall also apply to all subcontracts issued by the successful bidder(s).

All bidders must document the extent of their MWBE participation by completing the MWBE Compliance Provision Forms.

All MBE/WBE subcontractors must have a Certificate of Eligibility on file with the City’s Minority Business Enterprise Office. A list of certified minority and women-owned firms can be found on the City of Charleston’s web site www.charleston-sc.gov under “BIDLINE” link or by contacting Ruth Jordan, MBE Manager, 2 George Street, Suite 3600, Charleston SC, 29401, (843) 724-7434, jordanr@charleston-sc.gov.

Any such breach may result in termination of the Contract in accordance with the termination provisions contained in the Contract. It shall be solely at the option of the City of Charleston whether to terminate the contract for breach. In addition to terminating the Contract, the bidder may be prohibited from participation in future solicitations as determined by the City of Charleston.

**GENERAL INFORMATION**

In 2018, the City of Charleston purchased a 0.58 acre parcel in the West Ashley area of Charleston, SC to facilitate the creation of affordable, for-sale townhomes. The site, located at 1555 Juniper Street will deliver the construction of ten attractive townhome residences to an established neighborhood in West Ashley.

The City seeks a qualified General Contracting firm to deliver high quality, multi-faceted construction services in an organized, detail-oriented, and timely manner. Project drawings are construction permit ready. All necessary City of Charleston and other agency approvals have been obtained. With the plans in place, the General Contracting firm will oversee and implement construction and delivery of the townhomes.

**GOALS FOR THE JUNIPER STREET AFFORDABLE HOUSING DEVELOPMENT**

The City of Charleston is facing a housing affordability crisis. Today, 42% of Charleston households are cost burdened (paying more than 30% of income on housing costs). Despite a growing housing supply, over the last decade in the City of Charleston, median rent and home sales prices increased by 51% and 54%, respectively. Meanwhile, household income only increased by 31%.

The lack of affordably priced housing has an adverse impact on our local economy, which effects the employment sectors in our community. The ripple effect is a loss of that which we hold dear, a place to call home. The creation of affordably priced townhouses on Juniper Street will assist in meeting the needs of low and moderate income workforce residents who desire to live and work in the City of Charleston.

In its most recent analysis conducted for the City Plan, it was determined that the City needs an additional 16,351 affordable homes to be created by 2030. Given the challenges of creating affordable housing – Juniper Street project presents a great opportunity for the right General Contracting team to work with the City to provide additional, quality affordable housing in this community.

**There will be a Mandatory Pre-Proposal Meeting at 10:00am on Wednesday, June 22, 2022. It will be held at 1555 Juniper Street, West Ashley, Charleston, SC.**

**PROCUREMENT PROCESS**

The RFP (Request for Proposal) is not a bid. In the event the City elects to negotiate a contract with the successful Vendor, any contract shall contain, at a minimum, the term and conditions (or substantially the same term and conditions) as hereinafter stated. The City reserves the right, in its sole discretion, to reject all submissions, reissue a subsequent RFP, terminate, restructure or amend this procurement process at any time. The final selection and contract negotiation rests solely with the City.

**QUESTIONS**

Every effort has been made to insure that all information needed by the Offeror is included herein; however, questions are allowed and encouraged to clear up any information as described herein, etc. The City will not accept telephone calls or visits regarding this RFP. **ORAL STATEMENTS**
No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. The City of Charleston shall not be legally bound by any amendment or interpretation that is not in writing.

**NON-ENDORSEMENT**
If a Proposal is accepted, the successful Offeror shall not issue any news releases or other statements pertaining to the award or servicing of the agreement that state or imply the City’s endorsement of the successful Offeror’s product or services.

**PROPRIETARY INFORMATION**
If an Offeror does not desire proprietary information in the Proposal to be disclosed, the Offeror shall identify all proprietary information in the Proposal. This identification will be done by individually marking each page with the words “Proprietary Information” or “Confidential” on which such proprietary information is found. If the Offeror fails to identify proprietary information, it agrees that by submission of its Proposal that those sections shall be deemed non-proprietary and made available upon request through the Freedom of Information Act.

**UNAUTHORIZED COMMUNICATIONS**
Respondents’ contact regarding this RFP with employees or officials of the City of Charleston will result in disqualification from this procurement process. Any oral communications are considered unofficial and non-binding with regard to this RFP. The only authorized contacts for this procurement are any designated Procurement staff.

**CONTRACTOR SOLELY RESPONSIBLE FOR PERFORMANCE**
Vendor shall be responsible for the performance of the services required by the contract. Vendor is an independent contractor and does not act as the City’s agent or employee.

**DISQUALIFICATION OF OFFERORS**

- Lack of financial stability – the Offeror has filed for bankruptcy within the last 7 years

**SUSPENSION AND DEBARMENT**

Where the Offeror is unable to certify to any of the statements in this certification, such Offeror shall attach an explanation to this proposal.
CONTRACT NEGOTIATIONS
The City will rank, based upon the evaluation criteria, all responsible and responsive Vendors. The City will begin negotiations with the top ranked Vendors and will continue with negotiation down the ranking until a satisfactory contract with the City is finalized, if any. The terms and conditions of the contract will be no less advantageous than the provisions of this RFP or the Vendor’s proposal. **PROPOSAL EVALUATION PROCESS**

The City will conduct a comprehensive, fair and impartial evaluation of all Proposals received in response to this request for competitive sealed proposal as defined in this section.

An Evaluation and Selection Committee will be established to evaluate the Proposals and select a proposal which represents the best value to the City. The Evaluation and Selection Committee will be comprised of City personnel and any other persons as designated by the City. This Committee will determine the responsiveness and acceptability of each proposal. The Evaluation and Selection Committee may request additional information from Offerors.

The City will conduct a comprehensive, fair and impartial evaluation of all Proposals received in response to this RFP. Each Proposal received will first be analyzed to determine overall responsiveness and completeness to this RFP. A Proposal will be declared unqualified if it clearly fails to demonstrate, in any of the listed areas, a standard that the City believes necessary to meet the requirements set forth in this RFP.

Following their review of all submitted Proposals, the Selection Committee may select a shortlist of the highest ranked reasonably-qualified Offerors. Shortlisted Offerors will be invited to present their Proposal to the Evaluation and Selection Committee.

The City may issue a request for clarification to the shortlisted firms requesting additional information or clarifications. This request will also invite each of the Offerors to give a formal presentation to the Evaluation and Selection Committee and outline the format of the presentation.

The purpose of the presentations will be to allow Offerors to further present their proposal and allow members of the Evaluation and Selection Committee to ask questions of the proposed project team.
