# 36 OPERATION THIRTY SIX®

Track your progress with the Op36 Golf App!

## ETIQUETTE

- Be ready to play your shot in 40 seconds or less.
- Stay in the Safe Zone - "Face to Face is the safest place."
- Repair your ball marks on the green & rake the bunkers after you hit.
- Keep your score accurately. If you forget how many shots you took, ask those that are playing with you.
- Continuous Putting (Divisions 1-3) - Once you hit your putt, continue putting until it is holed out.
- Be quiet while others are hitting and don't walk in between their ball and the hole while on the green.
- Cheer and encourage others you are playing with.
- No running on the putting greens.

## The Operation 36 Development Model is Motivating For All

1. Play 9 Holes From Division 1 (25 Yards)
2. Shoot Par (36) or Better to Pass Division
3. Track Progress and Continue the Challenge!

## RULES

- Once a player reaches 8 strokes (maximum score per hole), they may pick their ball up.
- A player cannot move a ball once it is in play unless it is on the putting green and they mark it.
- A player must hole out if scoring fewer than 8 strokes and we do not allow mulligans or gimmies.
- If a player intentionally swings at the ball and misses, it counts as a stroke.
- Parents are STRONGLY encouraged not to coach. Allowing your player to make decisions, problem solve and own the result are some of the greatest lessons you can help facilitate. If a question arises, a great answer is "I don't know, ask your Coach."
- If a player's ball goes in a penalty area, drop either within 1 club length of where it entered or on the other side of the penalty area with a 1 stroke penalty.
- If a player's ball goes out of bounds (white stakes), the player must replay the shot from the same spot with a 1 stroke penalty.
- The player farthest from the hole (away) plays first.

## Are you caddying for a junior? Here are some tips...

- Leave YOUR expectations at home (don't ruin the experience for your junior golfer).
- Keep your verbal and non-verbal reactions to a minimum. "I don't know, ask your Coach."
- What to say before/after the round, "I love to watch you play" (encourage and support your junior golfer).
