

APPENDIX A – PRIORITIES FOR TECHNICAL ASSISTANCE

The current confirmed cohort includes 25 individuals representing 24 different communities.

The following priorities were listed in response to the prompt: “Please describe briefly your top priority for assistance through this project.” The bolded number to the right of each priority indicates the number of cohort members who listed it as a priority. Project staff will work with cohort members over the coming months to further refine proposals and assemble project teams when there is geographic overlap.
