

CITY OF CHARLESTON RECREATION SPONSORSHIP OPPORTUNITIES

PARTNER WITH US

Dear Friends of Charleston Recreation,

The City of Charleston Department of Recreation sets as its mission to provide positive opportunities through recreation to enhance the quality of life for our citizens. We achieve this mission by making available to all a wide variety of experiences, affordable recreation and programs, and well-maintained parks and facilities. As our community continues to grow, so does our need for additional resources to maintain and expand our programs and events.

We are appreciative of all our sponsors who allow us to make an impact on the community every year and are happy to use the resources available to us to help you see a positive return on your investment. As a City of Charleston Recreation sponsor, you are aligning yourself with an institution that has played a defining role in the City of Charleston's cultural and recreational life, providing a perfect opportunity for civic-minded companies dedicated to giving back to the community while supporting the physical and personal development of all individuals in the community. With a variety of sponsorship opportunities, levels, and packages, we can meet the need of any business. Our sponsorship program is designed to effectively market local businesses and provide additional exposure to the community through our program and events.

On behalf of the City of Charleston Department of Recreation, we appreciate your support and consideration. Please review our extensive list of sponsorship opportunities and please let us know how we can assist in selecting or catering any package that best fits your needs. I look forward to working with you.

Gratefully,

Justen Braddock
